30 JUNE TO 4 JULY 2025 | KUALA LUMPUR, MALAYSIA

In 2025, as Malaysia leads ASEAN under the banner of "Inclusivity and Sustainability", KL ADR Week 2025 will focus on fostering responsible ADR practices that reflect these values. The theme "Inclusive and Sustainable Dispute Resolution: Responsible ADR for a Stronger ASEAN" emphasizes the critical role that Alternative Dispute Resolution (ADR) plays in promoting not just legal and commercial harmony, but also ethical, inclusive, and sustainable solutions for the region.

As the global economy becomes more interconnected, ASEAN needs robust and responsible mechanisms for dispute resolution. KL ADR Week 2025 will bring together ADR professionals, policymakers, and business leaders to discuss how inclusive and sustainable ADR practices can lead to better outcomes not only for businesses but also for societies as a whole. This theme aligns with the broader goals of creating resilient, fair, and ethical dispute resolution mechanisms that benefit all ASEAN member states.

The discussions during KL ADR Week 2025 will highlight practical steps toward achieving these goals, with a focus on capacity building, innovative technologies in ADR, and fostering regional partnerships to promote ADR's role in sustainable development.
